

Occupational Health and Safety Policy

Industrias Epta s.r.l. defines as its objective to safeguard the health and safety of its staff and that of third parties who carry out activities within the company. In order to achieve this objective, the Management is committed to:

- Comply with current legislation on Occupational Health and Safety.
- Maintain and improve the identification of operational, existing, and potential risks in the organisation to eliminate or minimise them.
- Maintain and improve the training programme for the prevention of occupational accidents and illnesses.
- Ensure compliance with the Occupational Health and Safety policy through monitoring and audits.
- Promote awareness in every operational and administrative position to integrate Occupational Health and Safety as a value.
- Allocate resources and efforts to promote the continuous improvement of the Occupational Health and Safety system, aimed at preventing accidents, illnesses and health disorders of the Organisation's staff and collaborators.
